FROM LONDON BRIDGE UNDERGROUND AND MAINLINE STATION

Follow the Tooley Street exit from the station. Turn right on to Tooley Street and keep walking until you come to Tower Bridge Road. Cross over Tower Bridge Road and continue walking down Tooley Street. Take the second left (Lafone Street) and then take the second right (Gainsford Street). Walk down Gainsford Street until you come to Maguire Street (second on the left). Turn left into Maguire Street where you will find Clove Building on the right-hand side.

FROM TOWER HILL UNDERGROUND STATION AND TOWER GATEWAY DLR

Use the subway footpath system that is signposted from Tower Hill station to get to Tower Bridge. Walk across the bridge on the left-hand side of the road. Once across the river, go down the stairwell built into the bridge to the cobbled street below, Shad Thames. Turn right on to Shad Thames and walk straight down until you reach the Design Museum (large white building). This is Maguire Street. Turn right and you will find Clove Building on the left-hand side.

FROM BERMONDSEY UNDERGROUND STATION

Exit the underground station on Jamaica Road and immediately cross the road using the zebra crossing. Follow Jamaica Road to the left and keep walking for approximately 10 minutes until you reach the Costcutter shop on your right-hand side. Shad Thames is the first road on the right after the shop. Turn into Shad Thames and walk along until you reach Gainsford Street (second on the left). Turn left into Gainsford Street and then immediately right into Maguire Street. You will find Clove Building on your right-hand side.
